Re: **Redistricting maps filed by Chinese American Citizens Alliance**

As a resident with a community of interests similar to those in the San Gabriel Valley area, I support the redistricting maps filed by the Chinese American Citizens Alliance.

The prevalent community of interests in the cities of the West San Gabriel Valley area is common to those in the East San Gabriel Valley area cities.

The joining of the West San Gabriel Valley area with East San Gabriel Valley area form the basis for the state senatorial and congressional districts.

I visit the San Gabriel Valley area for some of my cultural, social, economic, medical, educational, dining, grocery, or professional interests or needs.

Thank you for your consideration in this matter.
